#8 Always bear in mind that two favorite tactics of the S.N.O.T.S. mindset are:

(a) False flag attacks to distract, deceive and mislead... creating mass fear and hatred.

Think "How to create massive public fear and hatred of ANYONE who owns a gun."

(b) Divide and conquer. If you claim that your truth is the one and only truth, you are helping the S.N.O.T.S. Dominators to divide and conquer. Make sure your truth is inclusive of others, not exclusive. *Stand For Freedom/Make It So* posits that Truth, Freedom and Love are the highest inclusive priority for all religious or spiritual beliefs, ethnicities, and nationalities (humanity). Holding to this priority unites, instead of dividing. Throughout history, the warmongering, fear creating S.N.O.T.S. mindset has deliberately killed countless millions of humans and others using this simple divide and conquer tactic

#9 Critical to developing a culture of Truth, Freedom and Love is the understanding that Earth is a living entity, home to trillions of other living beings, not just humans. Some VERY arrogant beings (SNOTS) believe that dominating Earth and its Inhabitants is their destiny. They arrogantly claim ownership of the physical space occupied by Earth and its Inhabitants. If we surrender our personal freedom and sovereignty to them, we agree to being enslaved. If you do not choose to be free, and Stand For Freedom, history has shown us time after time, the default condition is enslavement!!
