

Stand For Freedom

Eleven critical questions and one answer (maybe)

- (1) Is individual freedom and sovereignty a high priority in your life?
- (2) Do you believe that governmental adherence to the Bill of Rights, U.S. Constitution, represents your best means of living a life of personal freedom?
- (3) Have you read and understand that the article Sociopaths, They Walk Among Us, and my acronym SNOTS represent the same lust for totalitarian control of life on earth?
- (4) Do you agree that defining the Sociopaths and SNOTS mindset as the Multi-headed Beast is an appropriate definition for the #1 enemy of truth and freedom?
- (5) Do you agree that the Beast conquered humanity (7.8 Billion people) by completely violating our rights and freedoms under the Bill of Rights, with the complicity of multiple governmental entities and organizations, in March/April, 2020, and these violations continue to this day?
- (6) Have you read and agree with the article, The Worst Crime Against Humanity In History?
- (7) Have you done the reading and research to understand that the conquest of humanity was an accomplishment many decades in the planning and patient implementation by the Beast?
- (8) Do you have, or are you participating in, any viable plan or project, to regain your rights and freedoms which have been completely violated and demolished by the Beast on a global scale? If you are depending on the 105 million gun owners in America, the Beast will easily disarm and delete them using false flag attacks on innocent civilians.
- (9) Do you believe that the Beast is in control of world governments, military entities, education, financial institutions, TV/internet communications and multiple Technocratic non-governmental groups?
- (10) Do you understand that the Beast abhors dissent and will, over time, censor and delete all dissenters as it has done throughout history? (China, USSR, etc)
- (11) Do you understand that direct confrontation with the Beast is suicidal and that a non-confrontational “end run” might be successful in dissolving its power?
- (12) Stand For Freedom has an “end run” plan. It is a revolutionary method of teaching, learning, and healing humanity in months, not years. If you are a person who chooses to Stand For Freedom instead of Kneeling To Tyranny, we need your help and participation to develop and execute this “end run”.

Over 200 years ago we were warned about the consequences of NOT continuously Standing For Freedom:

Thomas Jefferson (April 13, 1743 – July 4, 1826) was the third President of the United States (1801-1809) and the principal author of the Declaration of Independence (1776).

“The price of freedom is eternal vigilance.”

Another famous quote:

“If you will not fight for the right when you can easily win without bloodshed; if you will not fight when your victory will be sure and not too costly; you may come to the moment when you will have to fight with all the odds against you and only a small chance of survival. There may be a worse case: you may have to fight when there is no hope of victory, because it is better to perish than to live as slaves.”
